# Environmental Management in the Middle East (EMME): Spatial Approaches

Dissemination and ToT Meetings  
20-26 September 2021, Online

## Monday, September 20 (9:00 CET)

Link to online meeting (will be sent to each participant via email)

**09:00 – 09:05** Registration and joining the meeting room

**09:05 – 09:10** Welcome (Ali Mansourian, Project coordinator)

**09:10 – 09:40** EMME overview and achievements (Ali Mansourian, LU)

**09:40 – 10:00** Introduction to Bologna system and e-learning (Petter Pilesjö, LU)

**10:00 – 10:20** Active Teaching and Learning in Europe (Monika Jo, ENSG)

**10:20 – 10:30** Questions

**10:30 – 11:00** SDI-T for environmental change monitoring (Eleni Tomai, NTUA)

**11:00 – 11:30** SDI-T for environmental impact assessment (Eimuntas Parseliunas, VGTU)

**11:30 – 12:00** SDI-T for collaborative environmental management (Alexandre Goncalves, U Lisbon)

**12:00 – 12:30** Questions and answers

## Tuesday, September 21 (9:00 CET)

Link to Zoom meeting (will be sent to each participant via email)

**09:00 – 09:15** Registration and joining the meeting room

**09:15 – 09:45** Online Teaching, important points (Petter Pilesjö, Micael Runnström)

**09:45 – 10:15** Presenting iMSEP (Ali Mansourian)

**10:15 – 10:30** Coffee break.

**10:30 – 12:00** Presenting emGeo (Pengxiang Zhao)

**12:00 – 13:00** Lunch break

**13:00 – 14:30** Show cases of spatial data collection and management using iMSEP and emGeo

**14:30 – 15:00** Open discussion

## Wednesday, September 22 (9:00 CET)

Link to Zoom meeting (will be sent to each participant via email)

**09:00 – 09:15** Registration and joining the meeting room

**09:15 – 10:45** GeoNetC, the programme and the courses (Petter Pilesjö, Micael Runnström)

**10:45 – 11:00** Coffee break

**11:00 – 12:30** GeoNetC, the programme and the courses (Petter Pilesjö, Micael Runnström)

**12:30 – 13:30** Lunch break

**13:30 – 15:00** Open discussion

### **Thursday, September 23 (9:00 CET)**

Link to Zoom meeting (will be sent to each participant via email)

**09:00 – 09:15** Registration and joining the meeting room

**09:15 – 10:00** Defining a GIS project (Ali Mansourian, Roger Groth, Jean Nickolas Poussart)

**10:00 – 12:00** Conducting the project using emGeo and iMSEP (country partner universities)

**12:00 – 13:00** Lunch break

**13:00 – 14:30** Discussing the tools and the Progress of the project

**14:30 – 15:30** Conducting the project (country partner universities)

### **Friday, September 24 (9:00 CET)**

Link to Zoom meeting (will be sent to each participant via email)

**09:00 – 09:15** Registration and joining the meeting room

**09:15 – 10:00** Defining a GIS project (Pengxiang Zhao, Jean Nickolas Poussart)

**10:00 – 12:00** Conducting the project using emGeo and iMSEP (country partner universities)

**12:00 – 13:00** Lunch break

**13:00 – 14:30** Discussing the tools and the Progress of the project

**14:30 – 15:30** Conducting the project (country partner universities)

### **Saturday, September 25 (9:00 CET)**

Link to Zoom meeting (will be sent to each participant via email)

**09:00 – 09:15** Registration and joining the meeting room

**09:15 – 10:00** Experiences of teaching and education in Lund University (Mohammed Almahfeli)

**10:00 – 10:45** Experiences of teaching and education in Yemeni Universities (Sana'a and Taiz Universities)

**10:45 – 11:00** Coffee break

**11:00 – 12:00** Experiences of teaching and education in Iranian Universities (UT, IKIU, BASU)

**12:00 – 13:00** Lunch break

**13:00 – 14:30** Toward improved teaching and education: Group discussions and comparison of teaching techniques

**14:30 – 15:00** Farewell
